

BARUNG LANDCARE ASSOCIATION - BUSHFOOD SPECIES

BARUNG LANDCARE BUSHFOOD PLANTS			
Ph: 0429 943 152 Fax: 07 5494 3141			
Species Name	Common Name	Food	Type
<i>Acacia disparrima</i>	HickoryWattle	SEED	MED TREE
<i>Acacia melanoxylon</i>	Blackwood	SEED	MED TREE
<i>Acmena smithii</i>	Lilly Pilly	FRUIT	SML TREE
<i>Alpinia caerulea</i>	Native Ginger	FRUIT / TUBER	SHRUB
<i>Araucaria bidwillii</i>	Bunya Pine	SEED	LRG TREE
<i>Archirhodomyrtus beckleri</i>	Rose Myrtle	FRUIT	SML TREE
<i>Austromyrtus dulcis</i>	Midyim	FRUIT	SHRUB
<i>Backhousia citriodora</i>	Lemon Myrtle	LEAF	MED TREE
<i>Banksia integrifolia</i>	Coastal Banksia	FLOWER NECTAR	SML TREE
<i>Brachychiton acerifolius</i>	Flame Tree	SEED	MED TREE
<i>Brachychiton bidwillii</i>	Little Kurrajong	SEED	SML TREE
<i>Brachychiton discolor</i>	Lacebark	SEED	MED TREE
<i>Davidsonia pruriens</i>	Davidson Plum	FRUIT	SML TREE
<i>Dianella caerulea</i>	Blue Flax Lily	FRUIT	SHRUB
<i>Diploglottis campbellii</i>	Small Leaved Tamarind	FRUIT	MED TREE
<i>Diploglottis cunninghamii</i>	Native Tamarind	FRUIT	MED TREE
<i>Ehretia acuminata</i>	Koda	FRUIT	MED TREE
<i>Elaeocarpus grandis</i>	Blue Quandong	FRUIT	LRG TREE
<i>Eupomatia laurina</i>	Copper Laurel	FRUIT	SHRUB
<i>Ficus coronata</i>	Creek Sandpaper Fig	FRUIT	SML TREE
<i>Ficus fraseri</i>	Sandpaper Fig	FRUIT	MED TREE
<i>Hibiscus heterophyllus</i>	Native Rosella	FLOWER	SHRUB
<i>Mischarytera lautereriana</i>	Corduroy Tamarind	FRUIT	MED TREE
<i>Piper novae-hollandiae</i>	Native Pepper Vine	FRUIT / SEED	VINE
<i>Podocarpus elatus</i>	Plum Pine	FRUIT	MED TREE
<i>Sterculia quadrifida</i>	Peanut Tree	SEED	MED TREE
<i>Syzygium australe</i>	Brush Cherry	FRUIT	SML / LRG TREE
<i>Syzygium francisii</i>	Red Lilly Pilly	FRUIT	MED TREE
<i>Tasmannia insipida</i>	Brush Pepperbush	FRUIT	SHRUB
<i>Viola hederacea</i>	Ivy Leaf Violet	FLOWER / LEAF	GROUND COVER
